

LIQUIDLINE®

Cafetouch 7

Bean-to-cup
Coffee Machine

Conceived for use in the most varied places - offices, showrooms and restaurants - the Cafetouch 7 has 3 product canisters and 8 push buttons, thereby offering a superb range of drinks.

The unit's elegant shades of dark grey and aluminium along with the geometric forms are softened in the front part of the machine by the LED lighting.

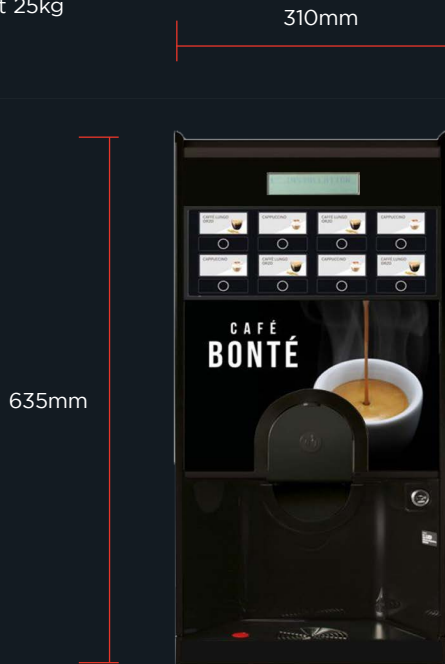

The Cafetouch 7 is available in both manual fill and mains water configuration, allowing flexibility for your environment.
