

LIQUIDLINE®

Vitro espresso range

Premium bean to cup
coffee system

Stunning design
Robust technology
Ease of use

The Café BONté Vitro Espresso range combines an authentic bean to cup experience with speed and convenience to serve freshly ground coffee with astonishing ease.

With 8 beverage options, the Vitro Espresso and its superb reliability doesn't need long to prove itself indispensable to you. With a visually prominent and large bean hopper, the machine is the solution for bigger offices, catering outlets, coffee shops and restaurants.

The Vitro Espresso Duo adds further convenience and choice with its freshbrew leaf tea options.
