

Hot Brew

A cup of English tea is the perfect drink on a crisp autumnal day. Kick back and relax with a cup of organic Cosy tea and a good book.

For us, a cup of tea is more than just a beverage but then we are a British company. It provides moments in which you can relax and unwind, and is an essential part of the day. That's why creating the perfect blend is so important to us. Cosy is our delightful range of organic teas in award-winning knit effect packaging. All organic certified and vegan approved, the black teas are also Fairtrade. Cosy Teas come in boxes of 20 individually enveloped tea bags with tags. Perfect for those chillier afternoons when only a hot cuppa will do.

At Cosy every detail has been carefully considered, from the best flavour combinations and organic ingredients, right down to the

packaging. Inspired by the renaissance in knitting, we worked with local knitters to create personalised exclusive patterns for all our boxes, giving you the full Cosy experience.

Our collection of organic tea features a variety of flavours including vibrant fruity infusions, delicious classics and matcha. We know what matters most to tea drinkers and have created a range that's loved by all. So, pop the kettle on, unwrap our teas, brew, and relax.

Make sure your customers know about all the nine teas with a display rack. The packaging is so gorgeous it'd be a shame to hide it away at the back of the counter.
