

Perfect purées

Bursting with real fruit and packed with versatility, Sweetbird purées make so many drinks in an instant. Not just for summer these flavourful ingredients add a fruit boost to hot and cold drinks too.

Available in six, vegan-approved flavours, Sweetbird purées are perfect for creating super-speedy shakes, sodas, cocktails, mocktails, and smoothies too. Deliciously thick and rich, our purées are also great for drizzling over drinks for a hand-crafted finish. In winter they add a burst of flavour to hot chocolates; coconut works especially well at this time of year. We also love a pump of raspberry in a short 6oz thick hot chocolate.
