

LIQUIDLINE®

Macap M5D

Coffee Bean Grinder

This on demand coffee grinder are regarded by many professional baristas as the coffee grinder of choice and are constructed to a high specification to ensure many years of reliable service.

Complete with the added advantage that only the freshest coffee is dosed each time and no coffee grounds are put to waste or left sitting in the grounds dispenser. Ensuring that all your needs can be met from the finest creamy espresso to the cafetiere blend, allowing optimum grinding for any location.
