Mignon

Coffee Bean Grinder

The Mignon coffee grinder is faultless in both its appearance and its performance with a stepless micrometric regulation system that gives you the ability to fine tune your grind and is great for making the perfect espresso.

It also comes with a built in timer to help perfect your measurement of coffee. This grinder has a sleek, elegant design and ethically sustainable with one of the smallest footprints of them all. It is stepless on demand with timed dosing, is easy to clean and makes the process of making coffee straightforward and easy.
